The non-profit organization SOURRIRE, (Support between Residents and Refugees through Integration, Respect and Self-Esteem), was founded in 2018 with the aim of strengthening relations between the populations of the Grand Duchy of Luxembourg

The association aims to bring back smiles and joy of living by offering charitable events, cultural outings, debate evenings, and social dinners.

Every Thursday, free activities are offered at the JuMa House in Dudelange

THE CONCEPT

«WE SERVE, WE RALLYE»

For its fourth edition, the Lions Club Luxembourg-International invites you to spend a day discovering the heritage and history of Luxembourg

Following the success of the rally between Müllerthal and the Luxembourg Moselle, this year you will discover the secrets of the Eisch Valley

Who is then this mysterious historical figure? Where does he come from and what is his story? Will you be the first to discover his treasure?

To answer all these questions and also to support the non-profit organization SOURRIRE, sign up your team now and get ready for a day of discoveries and fun.

Motorcycles, old and new cars, electric or not, young and old, everyone is welcome for a journey through time just 30 minutes from Luxembourg City.

No need to be an expert driver to participate in 'We Serve, We Rallye'!

This is not a race but a carefully prepared route by our team. You will have plenty of time to stop, take photos, answer the questions that will be asked, and participate in the various challenges: we want you to have an exceptional moment, rich in encounters, full of memories, all in support of a good cause.

The Region

A country, a myriad of villages, as well as churches, magical castles and an exceptional countryside, that's what awaits you, without revealing too much, during the tourist rally organized on June 8, 2024 by the Lions Club Luxembourg-International.

Known for its history, this region offers magnificent landscapes and some architectural wonders that you will have the opportunity to discover during your journey.

TERMS OF PARTICIPATION

For practical reasons, registration is limited to 40 teams of your choice of size.

When you register, you can choose your departure interval between 10:00 and 11:00, but please note that your registration will only be valid once your payment has been received.

You will be welcomed with a coffee, we will explain the rules of the game, and the teams will depart every 5 minutes and will have to find their way using the 'Road-book' that will be given to them at the start.

Throughout this route, you will have to collect information to answer questions and participate in mini-games to earn points.

At the first mini-game station, you will also receive a lunch basket to consume during the rally.

Finally, we will all meet at the finish line from 17:00 for the award ceremony and a networking session followed by a gourmet dinner starting around 19:30.
